The purpose of local chapters is to provide a local forum of members for the discussion, consideration and interchange of ideas concerning matters relating to the purposes and powers of special districts and the CSDA.

The local chapters may meet to discuss issues bearing upon special districts and the CSDA. The chapters may make recommendations to the CSDA's Board of Directors.

Section 2. Organization:

The regular voting members of the CSDA are encouraged to create and establish local chapters. These existing chapters are strongly encouraged to have all district members as CSDA members, however the existing local chapter may include members of local organizations, districts and professionals who are not members of the CSDA.

New chapters formed after August 1, 2011 are required to have 100 percent of their district members as CSDA members in order to be a chapter affiliate of CSDA. The existing local chapter may include members of local organizations and professionals who are not members of CSDA.

Local chapters shall be determined to be affiliates of the CSDA upon approval and ratification by the Board of Directors of the CSDA. The chapters shall be required to provide updated membership lists to the CSDA at least annually.

CSDA and its local chapters shall not become or deem to be partners or joint ventures with each other by reason of the provisions of these Bylaws.

Section 3. Rules, Regulations and Meetings:

Each local chapter shall adopt such rules and regulations, meeting place and times as the membership of such local chapter may decide by majority vote. Rules and regulations of the local chapter shall not be inconsistent with the Articles of Incorporation or Bylaws of the CSDA.

Section 4. Financing of Local Chapters:

No part of the CSDA's funds shall be used for the operation of the local chapter affiliates. The CSDA is not responsible for the debts, obligations, acts or omissions of its local chapters.

CSDA/Chapter Affiliation Agreement – FAQ

What is the purpose of signing an affiliation agreement?

The purpose of an affiliation agreement between chapters and the state association is to clearly define the relationship between CSDA and local chapters. From a risk management perspective, the agreement clearly outlines the level of liability for both parties. Other components include logo usage and reporting guidelines.

Why is this important now?

With the development of a new chapter (the Gold Country Regional Chapter), it became apparent to the CSDA Board of Directors and legal counsel that such an agreement would be prudent and beneficial to all parties. The designation “chapter” is misleading in that it implies a formal relationship between CSDA and the local groups that doesn’t currently exist.

Why should my chapter sign this affiliation agreement?

Affiliated chapters and their activities will be endorsed by CSDA. In addition, affiliated chapters will:

- Be protected from liability in the event of action against the state association
- Have access to CSDA/Chapter logo, member database and other intellectual property
- Will receive technical assistance from CSDA, including recruitment assistance, chapter website development and communications support
- Will have priority when scheduling visits from CSDA legislative staff and other CSDA representatives and speakers
- May receive additional training opportunities

Does this give CSDA control over our chapter process?

As long as the chapter conducts activities that are consistent with the mission and purposes of CSDA, your group will continue to function as before. An affiliated chapter will need to meet the agreement’s guidelines regarding bylaws, membership requirements, liability insurance and information sharing.

Why does our chapter have to have insurance?

CSDA recommends each chapter have liability insurance to protect itself and its members, as well as the state association, from potential liability. In lieu of an insurance policy, chapters may choose to provide a written certificate from each member district that would certify the district’s representatives are covered by the district’s insurance when participating in chapter activities.

Will our chapter have to give any money to CSDA?

No. The chapter will not be required to pass any of their income to CSDA to be considered a chapter of CSDA.

Does the affiliation agreement mean there will be mandatory membership in the state association?

Per the CSDA bylaws updated August 2011, the following existing chapters must have at least one (1) CSDA member in their membership at all times: Alameda, Butte, Contra Costa, Kern, Marin, Monterey, Orange (ISDOC), Placer, Sacramento, San Bernardino, San Diego, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara and Ventura. Only new chapters formed after August 1, 2011 are asked to have 100 percent of their district members as CSDA members in order to be a chapter affiliate of CSDA.

What if our chapter does not sign the agreement?

If a local special district association is not interested in being formally affiliated with CSDA, they will continue functioning much as before. However, the group will no longer be able to use the CSDA name or logo or be referred to as a "chapter" of the state association. Affiliated chapters will be given priority in terms of CSDA staff time and other resources.
